

MONDAY EVENING OPEN PAIRS WITH SOCIAL

Each lawn bowling team shall have two: a skip and vice/lead open to any man and women pair.

The following rules and guidelines shall govern play.

1. Games start at 6:30 pm precisely.
2. All games are 12 ends. If the score is even after 12 ends, the game is considered a TIE. An extra end is not required.
3. If unable to play a game as scheduled, two options are available:
 - Substitutes may be arranged for one or both players.
 - If the opposition agrees, the game may be rescheduled but must be played prior to the next Monday. The last game of each schedule must be played as scheduled or in advance.
4. The game format will be for open pairs. But if both teams would like to play another game format, then they can decide on it and go ahead and play it.
5. If substitutes are not arranged or if the opposition is unable to accommodate rescheduling of a game, the game will be defaulted in favour of the opposition. In either case the opposing team should be notified in advance.
6. A score will be posted on the score sheet in the glass case on the veranda. The skip, immediately following the game, is responsible for entering a W for a win, WD win by default, L for a loss, LD for a loss by default or a T for a tie. In case of rain, all games will show 'R' on the chart. Scores are not required.
7. Points will be awarded as follows: W or WD - 3; T - 2; L - 1; LD - 0.
8. If a Monday evening game is cancelled, all teams will be awarded 0 points, including those teams who rescheduled their game.
9. After the round robin is complete for the first schedule, the bottom 2 teams from Divisions A & B go down to the next division. The top 2 teams from Divisions B & C go up to the next division.
10. If two or more teams are tied at the end of the first schedule, the win/loss record between the teams will be used to break the tie. If still tied, the team with the most W's will win. WD's will not be counted to break the tie.

11. Practice on the rink assigned for a scheduled game is not appropriate. As competitive as this event may be, good sportsmanship, courtesy, fair play and mutual enjoyment of the game should prevail.

Please check the chart set up by the Social Director indicating the date that your team is responsible for making coffee, tea as well as providing snacks for the social time immediately following the evening of bowling.
